UNITED STATES DEPARTMENT OF AGRICULTURE

SERVICE AND REGULATORY ANNOUNCEMENTS

BUREAU OF ANIMAL INDUSTRY

JULY, 1932

[This publication is issued monthly for the dissemination of information, instructions, rulings, etc., concerning the work of the Bureau of Animal Industry. Free distribution is limited to persons in the service of the bureau, establishments at which the Federal meat inspection is conducted, public officers whose duties make it desirable for them to have such information, and journals especially concerned. Others desiring copies may purchase them from the Superintendent of Documents, Government Printing Office, Washington, D. C. A supply will be sent to each official in charge of a station or branch of the bureau service, who should promptly distribute copies to members of his force. A file should be kept at each station for reference.]

License No. 202 was issued June 25, 1932, to the Colorado Springs Vaccine Laboratories (Inc.), one-half mile north on the Denver-Colorado Springs Highway, Colorado Springs, Colo., for: Abortion vaccine (bovine); blackleg agressin; calf-scour mixed bacterin; hemorrhagic-septicemia agressin.

PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT, JULY, 1932

Docket No. 298.—In re St. Joseph Stockyards Co., St. Joseph, Mo. In further reference to an item relative to this docket, published in the July, 1931, issue of the Service and Regulatory Announcements: An order of inquiry and notice of hearing was issued on October 9, 1929, and a hearing was held in December. Oral argument was had before the Acting Secretary of Agriculture on May 13, 1930. On February 11, 1931, respondent filed a petition alleging certain general economic changes and requested that the case be reopened for further hearing. On July 20, 1931, the Acting Secretary of Agriculture issued an order denying respondent's petition and prescribed a schedule of maximum rates and charges. Thereupon, respondent filed in the District Court for the Western District of Missouri a bill praying injunction against the order. A temporary injunction was issued by the court and, after a hearing, the injunction was made permanent,

it being the opinion of the court that the Acting Secretary erred in denying the prayer of respondent's petition for a rehearing. In view of the above-mentioned decisions, the Secretary of Agriculture is of opinion that it is his duty, under the law, to reopen this docket and hold a rehearing. On July 19, 1932, the Secretary of Agriculture ordered that the order of July 20, 1931, be set aside and that this docket be reopened and a rehearing be held on November 28, 1932, which hearing shall be also a general inquiry into the reasonableness and lawfulness of the rates and charges in effect at the time of the hearing.

Docket No. 311.—In re L. B. Andrews Livestock Commission Co. and other market agencies at the Kansas City Stockyards, Kansas City, Mo. In further reference to an item relative to this docket published in the May, 1932, issue of the Service and Regulatory Announcements: On May 26, 1932, the respondents filed a petition alleging in detail the general economic changes which have developed in the United States since the year 1929, and the particular effect of these changes upon the business of the respondents. They asked that the order of the Acting Secretary of Agriculture, dated May 18, 1932, be withdrawn and that this proceeding be reopened for reinvestigation of the matters referred to in the order of inquiry, and be set down for further hearing upon the subjects set forth in the petitions. In view of the decision of the Supreme Court of the United States in the case of Atchison, Topeka & Santa Fe Railway Co. v. United States, 284 U. S. 248, and of the District Court of the United States for the Western District of Missouri in the case of St. Joseph Stockyards Co. v. the United States, 58 Fed. (2d) 290, the Secretary of Agriculture is of opinion that it is his duty, under the law, to reopen this docket and hold a rehearing. On July 15, 1932, the Secretary of Agriculture ordered that the order of May 18, 1932, be set aside and that this docket be reopened and a rehearing be held on October 6, 1932.

Docket No. 371.—In re Sam R. Hunnicutt, trading and doing business as the Hunnicutt Livestock Commission Co., market agency, Fort Worth, Tex. On December 19, 1931, the Acting Secretary of Agriculture issued an inquiry alleging that respondent was insolvent in that he was unable to pay his debts as they became due in the usual course of business. The respondent has notified the department that he is not now engaged in business as a market agency at Fort Worth or any other stockyard in his own name, but is working on a salary basis for another commission firm; therefore, the proceeding was dismissed without prejudice on July 15, 1932.

Docket No. 380.—In re T. G. Sudduth, market agency and dealer, Richmond and other Kentucky markets. On February 15, 1932, the Acting Secretary of Agriculture issued an inquiry, alleging that respondent had violated the packers and stockyards act in that he had failed, neglected, and refused to execute and maintain a reasonable bond to suitable trustees to secure the performance of his obligations incurred as a market agency and dealer. A hearing was held on June 10, 1932. On July 2, 1932, respondent was suspended from registration as a market agency and dealer for a period of six months with leave during said period to apply for a revocation of this suspension upon showing to the satisfaction of the Secretary of Agriculture that he has filed a resonable bond to secure the performance of his obligations. He was also ordered to cease and desist from doing business as a market agency or dealer without executing and maintaining a reasonable bond to suitable trustees to secure the performance of his obligations. It was further ordered that this order is not to be construed as suspending respondent from or preventing him from engaging in business at any of the stockyards of buying livestock for packers or others on a commission or otherwise provided that in each such instance no credit be extended to respondent and the livestock be sold to and on the credit of the packer or other person for whom respondent is acting.

INSPECTION OF POULTRY FOR EXPORT

Attention is called to amendment 2 to B. A. I. Order 322 and amendment 1 to B. A. I. Order 327, effective, respectively, July 1 and August 1, 1932, which eliminate the export inspection requirement with respect to live poultry. Hereafter live poultry for export need not be inspected and certified except when destined to countries which require such inspection and certification. Canada and Mexico have no such requirements and it will therefore not be necessary to inspect live poultry destined to those countries unless or until bureau inspectors at border ports of entry are otherwise advised.

PERMITTED DISINFECTANTS

The bureau has granted permission to James Huggins & Son, Malden, Mass., to distribute "Diamond 'H' Cresol Compound," a saponified cresol solution, for use in official disinfection as required by B. A. I. Order 309.

Change in Trade Name

Permission was previously granted to the Mooney-Mueller-Ward Co., Indianapolis, Ind., for the use of "Mooney's Cresol Compound" in official disinfection as required by B. A. I. Order 309. At the request of the Mooney-Mueller-Ward Co., the name, "Mooney's Cresol Compound," has been discontinued and the trade name of this product is hereby changed to "Mooney's Cresylic Acid Compound."

Permission Withdrawn

Having discontinued the sale and distribution of "Hockwald's Creo-lic Disinfectant," permission previously granted to the Hockwald Chemical Co., San Francisco, Calif., to distribute this product is withdrawn. Under date of June 6, 1932, permission was granted for the use of their own product, "Creo-lic Disinfectant," in official disinfection as required by B. A. I. Order 309.
